About Me

I am a final-year Applied AI & Analytics student at Nanyang Polytechnic with a strong foundation in machine learning, data engineering, and full-stack development. Expert in leveraging SQL and Python to solve complex business problems. Proven ability to thrive in fast-paced environments, combining technical rigor with a proactive, customer-focused mindset gained through roles at Mandai Wildlife and Skechers.

WORK EXPERIENCE

Sept 2025 - Present

Mandai Wildlife

Retail Assistant

- Manage high volume point-of-sale (POS) transactions and cash handling with precision
- Maintain store standards with consistent restocking and housekeeping to ensure a positive visitor experience
- Provide proactive customer service, assisting guest with product inquiries
